Subject: UPDATE: PROPOSED AMENDMENTS STATEWIDE DREDGED OR FILL PROCEDURES

This is a message from the State Water Resources Control Board.

Per the Revised Notice of Public Meeting and Public Workshops, State Water Board staff planned to provide an informational update to the Board at the regularly-scheduled Board Meeting on February 19, 2019; however the Board Meeting on February 19, 2019 was cancelled. The update was regarding the Proposed Amendments to the Ocean Plan, and the Water Quality Control Plan for Inland Surface Waters, Enclosed Bays, and Estuaries of California to include a State Wetland Definition and Procedures for Discharges of Dredged or Fill Material to Waters of the State (formerly known as the Wetlands Policy).

The staff update has instead been included in the Executive Director's report, which was posted on February 11, 2019, and can be found on the State Water Board's website at:

https://www.waterboards.ca.gov/board_info/exec_dir_rpts/2019/ed_rpt_021119.pdf.

More information regarding the Procedures and associated documents can be found at the State Water Board's website at: https://www.waterboards.ca.gov/water_issues/programs/cwa401/wrapp.html.
